FREQUENTLY ASKED QUESTIONS

1. Can I apply for coverage over the phone?

Unfortunately, we are not able to accept your enrollment information over the phone at this time. Coverage may be purchased online, or you can complete an enrollment form and submit it by fax or mail.

2. What is a general aggregate?

The General Aggregate is the maximum amount the insurance company will pay for all covered claims during a single policy period. Once the aggregate limit has been exhausted, no additional payments will be made for covered losses during that policy period.

3. What are certificate requests? How do I complete this section on the enrollment form?

A member certificate is a document prepared by us providing you evidence of insurance. You will automatically receive a member certificate providing proof of coverage once coverage is bound. You only need to complete the certificate request section if you have been asked to provide another certificate, to an entity such as the facility where you work.

4. I have been asked by the facility that I instruct at to add them as an "additional insured" to my policy. What does this mean and how do I do that?

An additional insured is a person or organization not automatically included as an insured under an insurance policy, but who is included or added as an insured under the policy at the request of the named insured. By providing an entity additional insured status, it now is entitled to defense and indemnity (if policy limits have not been exhausted) under your policy with no responsibility for premium payments.

You can add an entity as an additional insured under the certificate request section of the enrollment form. Please provide their complete name, address, and relationship to you. All requests must be made in writing.

5. Will I receive a policy after I submit the enrollment form?

No. You will receive a certificate of insurance as proof of coverage. By applying for this insurance, you are applying for membership in the Sports, Leisure and Entertainment Risk Purchasing Group (RPG), a group formed and operating pursuant to the Liability Risk Retention Act of 1986 (15 USC 3901 et seq.). Coverage is offered exclusively through the Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the insurance company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member receives their own certificate of insurance as evidence of coverage. The limits of insurance apply individually to each insured member organization - there are no shared limits of liability with any other members. For a copy of the RPG master policy, please submit your request in writing to: K&K Insurance Group, Inc. P.O. Box 2338, Fort Wayne, IN 46801-2338

6. Do I have coverage for virtual training?

Coverage extends to incidental virtual training provided by you (the Named Insured) to your clients. The policy is intended to provide bodily injury coverage for training made available only to your clients through a private platform, such as a password-protected website or a closed Facebook group. Coverage does not extend to training material that is accessible to the general public.

Reasonable precautions should be taken when assessing potential new clients/members online, including, but not limited to, health assessments, waivers and release forms, and interviews prior to instruction or training. We encourage you to consult with an attorney to consider waiver and release agreements that are specifically tailored to virtual training activities.

Virtual training/instruction does not include any training or instruction that involves gymnastic apparatuses, tumbling, stunting (including pyramids), or in-water activities. We do not provide coverage for cyber liability. Therefore, if you collect payments or personal information online and that information is compromised, there would be no coverage under the General Liability policy.

Aon plc, our ultimate parent company, and its affiliates have from time to time sponsored and invested in insurance and reinsurance companies. While we generally undertake such activities with a view to creating an orderly flow of capacity for our clients, we also seek an appropriate return on our investment. These investments, for which Aon is generally at-risk for potential price loss, typically are small and range from fixed-income to common stock transactions. In such case, the gains or losses we make through your investments could potentially be linked, in part, to the results of treaties or policies transacted with you.
